COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

We have been told to expect construction to commence on the sewage disposal system the first of next week.

The resident engineer for the project was in town a few days this week. The superintendent from the construction firm arrived also, mainly to find a place to live while he is supervising the project.

The town crew will soon be starting. Anyone who wishes their driveway done should contact the town office or garage in order that we may compile a list of those who want the work done.

The tax lien process will soon be started for 1971 taxes. Taxpayers who have not paid the real estate tax will receive notices. This is the only notice they do receive, therefore anyone receiving one should make arrangements with the town office to pay their taxes.

Wednesday night the Planning Board held their regular meeting. The main topic was proposed subdivisions which were submitted for their consideration.

Retirement Party at Andover
Approximately 50 attended a retirement party honoring two elementary teachers, Florence Hall and Marie Lang, on June 7 at the Andover Gymnasium.

Prin. Robert Hamor acted as Master of Ceremonies. Secretary Diane Cutting presented the honored guests with pink carnation corsages. Eddie Snyder, Chairman of the Board of Directors of SAD #4, presented an Education Pin to each member. Miss Hall presented Mr. Hamor with a gift and Mrs. Lang thanked the group for the party.

The party was planned by the P. I. C. with Darlene Hall as chairman, assisted by Bertha Summer-ton, Harriet Sauter, Shirley Fifield, Kathy Morales, Agnes Foster, Judy Richardson, Beverly Swan, Sandra Clement and Ruth Sidelinger.

The tables were decorated with vases of lilacs. The special three tier cake was made by Ruth Sidelinger. It was decorated with yellow flowers and green leaves. Beside the cake were "37" and "30" representing the number of years each had taught.

Florence Hall has taught in Andover schools for 37 years. She graduated from Andover High School in 1922 and Farmington State Normal School 1931. She held a Life Certificate. Miss Hall taught as the last teacher at North Andover's one room rural school of eight grades for two years. She taught 29 years at the Elm Street School, recently torn down. She was principal of that building for 17 years. When grades 5 and 6 went to the High School Building Miss Hall moved to that building and taught Language Arts for two years. In 1968, when the Andover High School students went to Telstar Regional High School, that building was renamed the Andover Elementary School K-6. The past few years Miss Hall taught grade 6.

Except for the years 1937 to 1942 when Miss Hall was married, she

has devoted her entire life to the youngsters of the community. She is a member of the Andover Congregational Church; SAD #4 Faculty Club; Lone Mountain Grange; Eastern Star; MTA; NEA; AARP; and has recently joined the Oxford County Retired Teacher's Association.

Her hobbies are coin and stamp collecting and embroidery. At the present time her future plans are indefinite.

Mrs. Lang, first grade teacher at the Andover Elementary School, will retire from active teaching on June 15. Since 1927, when she completed two years at Gorham Normal School she has devoted most of her life to her teaching and her family. She received her B. S. in education in 1907.

Her first teaching position was at East Andover in a one room school with all eight grades.

She married Arthur Lang, the town barber and printer, and settled down caring for a family, teaching Sunday school, helping with the Ladies Aid, Grange and Friday Club. She has three children, Elliott, who resides in Hudson, N. H.; Helen (Mrs. Gerald Deans) and a teacher in Mexico, and Dorothy who lives with her mother. Mr. Lang died in 1953 after a long illness.

Mrs. Lang was a substitute teacher for many years taking a full time teaching position in 1947 with the sub-primary and grade 1 at the Elm Street School in Andover. Most of her life was centered around the first grade and as she said for 30 years she had that all important first grade which is filled with so many beginnings, so much joy and excitement.

Mrs. Lang is clerk for the First Congregational Church; a member and past president of the Friday Club; a member of the Mt. Zion Chapter 142 O. E. S.; and recently

joined the Oxford County Retired Teachers Association. On June 10 she planned to attend her 45th reunion at Gorham.

Her hobby is collecting old fashioned clothes and costumes. She has a very nice collection of old fans. She likes to tack quilts, braid rugs and oil paint. She has a vegetable and flower garden and many lovely houseplants. This summer she will spend many hours at her camp at Roxbury Pond remembering the past 30 years.

13 members of the Ladies Aid met at the CEB on June 7. The members worked on aprons and pillows for the summer sale. The May and June committees will combine for a "This and That" Sale later this month. Chairmen are Ann Fox and Bertha Summer-ton.

The July chairman is Elsie Dresser; August chairman, Laura Learned; September chairman, Ivy Thurston; October chairman, Eldora Jones.

Helping on the July-August committee will be Joyce Morgan, Marie Lang, Florence Hall, Marjorie McGuire, Beatrice Dresser, Minnie Akers and Linda Percival.

The next meeting will be June 21 with a tasting party for refreshments.

Postmasters Marjorie Jodrey and Althea Hutchins were in Auburn on June 9 to attend a Retail Service Training Program Seminar for 3rd and 4th class postoffices.

Many from town attended the performances of Mary Poppins, presented by the Children's Dance Theater of Bethel.

Children entering school in the fall and their mothers were entertained at the Elementary School one morning last week.

Vacation Bible School — Marjorie Stinson and Alice Cox are chairmen

of the Vacation Bible School to be held at the Gymnasium beginning June 20 and closing June 30. Classes will be from 9 a. m. to 11:30 a. m. Refreshments will be served each day. The theme this year is "Fitting All of Life Together."

Teachers will be: Children entering school in the fall: Dorothy Rowe and Brenda Smith; Grades 1-2: Barbara Meisner and Jean White; Grades 3-4: Beverly White and Betty Farrington; Grades 5-6: Marion MacKenney and Mary Bailey; 7th grade and up, Rev. Lester Strout.

Mr. and Mrs. John Carney, Brian and Tommy have been visiting with her parents, Mr. and Mrs. Ralph Stinson, Sr. They returned to their home in Somerville, Mass., June 5.

Mr. and Mrs. Lester White and Wanita; Mr. and Mrs. Freeman Farrington and family and Liz Sennett left Friday for Caribou Lake for the week end. On their return they told of having very high winds and the lake was higher than they had ever seen it.

Mr. and Mrs. Harold Townsend and daughter, Sally, Mars Hill; and Mr. and Mrs. Daniel McCrum, Berlin, N. H. visited with Mr. and Mrs. Robert B. Swain and family, Friday. On Saturday the Swains and Townsends went to Concord, N. H. to spend the week end with Capt. (Ret.) and Mrs. Roy Todd. The three men served in the air force together 30 years ago.

Mr. and Mrs. Wayne Kerchner, New York City, have both recently received their Masters Degrees. Mrs. Kerchner's was a Master of Science and Mr. Kerchner's was a Master of Arts from Columbia University. Mrs. Kerchner is the former Frances Dresser.
